FEROE

It is born with the strength and personality of architectural microcement. Its vibrant soul and chrome reflections complement each other to create environments that convey luxury and serenity. A simple line, with an urban feel, where the continuous floor creates an attractive effect for any environment, from residential construction to commercial architecture. It comes with decorative tiles that create effects and break the walls' monotony.

Nace con la fuerza y la personalidad del arquitectónico microcemento. El alma vibrante y los reflejos cromados se complementan con una textura suave y sofisticada, creando ambientes que transmiten lujo y serenidad. Una línea sencilla, con aire urbano, donde el pavimento continuado crea un efecto total look atractivo para cualquier entorno, desde la construcción residencial hasta la arquitectura comercial. Se acompaña de decorados para romper la monotonía en las paredes y crear efectos, gracias al acabado de la cerámica.
