BARI is inspired by traditional tile-making techniques, with tiles in a 6x24.6 format whose uneven, slightly concave surface evokes all the charm of hand-crafted ones. Its shine, rich patterns and traditional local colours conjure up the shores of the Mediterranean Sea. The collection is rounded off by a décor in a choice of 6 colours, whose embossed surface, in subtly varying hues, fits in harmoniously with the rest of the collection, adding to its decorative appeal.

Colección que recoge y reproduce técnicas de fabricación de la cerámica tradicional. Una base con superficie irregular y ligeramente cóncava evoca el acabado artesanal del producto en un formato de 6x24,6. El brillo de las piezas, su riqueza gráfica, así como los colores propios de la zona, nos transportan a orillas del Mediterráneo. La colección se completa con una pieza decorativa, con un relieve degradado que le confiere al conjunto un mayor valor decorativo manteniendo la armonía en 6 tonalidades diferentes.
