Dorset es una serie inspirada en el condado inglés de Dorset, una región donde el mar y el tiempo han esculpido majestuosas colinas de piedra caliza. Sus acantilados, constantemente moldeados por la fuerza de las olas, han dado lugar a paisajes únicos que reflejan la unión entre solidez y transformación. Esta serie captura esa esencia, trasladando a cada espacio la riqueza visual y el carácter indomable de la naturaleza.

Dorset is a series inspired by the English county of Dorset, a region where the sea and time have sculpted majestic limestone hills. Its cliffs, constantly shaped by the power of the waves, have given rise to unique landscapes that reflect the balance between solidity and transformation. This series captures that essence, bringing the visual richness and untamed character of nature into every space.
