— Re-use

APE returns to its essence with this collection. We dare to use designs that unleash their own personality and have always made us different.

Re-use is a decorative trend and we're fully committed to it. Recycled paper with coloured inlays on a soft relief of synthetic fibres.

APE vuelve a su esencia con esta colección. Nos atrevemos con diseños que desatacan por su personalidad y que siempre nos han diferenciado.

Re-use es una tendencia decorativa y apostamos por ella. Papel reciclado con incrustaciones de colores sobre un suave relieve de fibras sintéticas.

Underlining the importance of reusing elements, objects and materials, Re-use 40 x 120 is a creation with its own character and unique design, featuring fun coloured inlays that mimic recycled paper and making it perfect to combine with any style.

Available in three shades, white, grey and natural, it achieves the perfect balance to add colour to your project.

Mobiüs is the decorative option within the collection itself, a piece that will give a sense of movement to the wall, boasting sinuous waves within high and low reliefs that reveal the texture.

Sumados a la importancia que supone la reutilización de elementos, objetos y materiales nace Re-use 40x120, una creación con carácter propio y diseño único, que a través de divertidas incrustaciones de colores que imitan el papel reciclado es perfecta para combinar con cualquier estilo.

Disponible en tres tonos: white, grey y natural, logra el balance perfecto para aportar color a tu proyecto.

Mobiüs es la opción decorativa dentro de la propia colección, pieza que será la encargada de darle movimiento a la pared, sinuosas ondas dentro de altos y bajos relieves, que dejan entrever la textura.
