

UMAMI

L'Italia è per eccellenza il paese legato a quel sapere artigianale, tramandato, custodito, delle antiche vie dei borghi. In questo contesto legato alla tradizione, prende forma questa nuova proposta calda e rassicurante di Umami. Una ceramica ad effetto terracotta, dalla superficie ultra matt, liscia e piacevole al tatto, declinata in tre timbri differenti (almond, beige e tortora). Per un uso che vada incontro a più necessità progettuali ed estetiche, Umami è realizzato in differenti formati, il 120×120, il 60×120, il 60×60 ed il 30×60 cm ed il 90×90 cm, tutti a spessore tradizionale a 10 mm. La proposta è completata per una continuità progettuale dai prodotti specifici per l'outdoor nei formati 120×120 e 60×60 a spessore 10 mm e dal formato 60×60 cm a spessore 20 mm.

Par excellence, Italy is the country linked to that treasured, preserved artisan know-how found in the ancient streets in small towns. It is in this context that the new, warm and reassuring proposal of Umami linked to tradition, takes shape. A terracotta-style ceramic with an ultra-matt surface, smooth and pleasant to the touch, available in three different shades (almond, beige and light grey). For a use that satisfies several design and aesthetic demands, Umami is produced in a variety of different sizes, 120×120, 60×120, 60×60 and 30×60 cm and 90×90 cm, all with a standard 10 mm thickness. The proposal is rounded off for the purpose of design continuity with products specifically for the outdoors in the sizes 120×120 and 60×60 with a 10 mm thickness and 60×60 cm with a 20 mm thickness.
