Floor & Wall

La colección VERSA reinterpreta la belleza atemporal de la piedra francesa con un espíritu contemporáneo, combinando texturas inspiradas en fósiles y superficies suaves de tonos cálidos que evocan autenticidad, equilibrio y una elegancia refinada. Su versatilidad la hace ideal para interiores de estilo mediterráneo, nórdico y moderno, ofreciendo una amplia gama de formatos que incluyen tecnología STRATA (100x275), porcelánicos con relieve (60x120) y revestimientos lineales en colores White y Sand. La serie VERSA WALL (33x100) traslada esta esencia a superficies verticales, con decorados texturizados y acabados naturales que transforman los espacios en entornos inmersivos y dinámicos. Más que una superficie, VERSA es una expresión material de libertad, armonía y la belleza pura de la naturaleza.

The VERSA collection reimagines the timeless beauty of French stone with a contemporary spirit, blending fossil-inspired textures and smooth, warm-toned surfaces that evoke authenticity, balance, and refined elegance. Its versatility makes it ideal for Mediterranean, Nordic, and modern interiors, offering a wide range of formats including STRATA technology (100x275), porcelain reliefs (60x120), and linear wall tiles in White and Sand. The VERSA WALL series (33x100) brings this essence to vertical surfaces, with textured décors and natural finishes that transform spaces into immersive, dynamic environments. More than a surface, VERSA is a material expression of freedom, harmony, and the pure beauty of nature.
